Caribbean Medical Mission (CMM) cordially invites you to support and participate in our Annual Black-Tie Gala Dinner & Dance fundraiser affair to be held at The Grand, 38 Lackawanna Avenue, in Totowa, New Jersey.

The Annual Black Tie Gala Affair is our final fundraiser for 2025. It is a part of our ongoing effort, as a state registered non-profit organization, to generate sufficient funds needed to continue providing medical services (gynecological, ophthalmological, dental, surgical) in underserved communities in Caribbean and other regions.

CMM was founded in New Jersey in 1996, by a group of medical and non-medical professionals and has grown tremendously over the years. In addition to our yearly medical mission CMM conducts various initiatives in New Jersey such as sponsoring annual health fairs, annual socks drive for the homeless and participating in a collaborative mentorship program with undergraduate students from ODASIS.

On our most recent mission to Jamaica in June 2025, there were more than 1,200 patient encounters. Our doctors provided over 200 Pap smears and distributed over 500 prescription glasses at zero cost to the patients. A donation of US\$3000 was made to the Jamaica Cancer Society, to assist with mammograms for indigent women at risk for breast cancer. An EKG machine was also donated to the Fair Prospect Health Center in Portland, during this mission.

CMM donated two dialysis machines to the Jamaica Diabetes Association. Additional donations of hospital beds, wheelchairs, blood pressure and glucose monitors, computers, eyeglasses, medication, clothing and books have been made to several countries.

Following the impact of Hurricanes Katrina and Ivan, monetary contributions and supplies were donated to other charitable groups to assist victims. Our medical missions and accomplishments are only possible because of successful fund-raising events powered by a team of dedicated members and charitable supporters.

We are, once more, soliciting your support in giving us the opportunity to continue fulfilling our mission statement; **Our Endeavor is To Serve Those in Need.**

Your generosity is greatly appreciated.

Sincerely,

Donna Hutton-Cassie, MD

President of CMM
